

# LIVE YOUR WHY

## Afterschool Edition

### Try out this brain teaser:

You are a cyclist in a cross-country race. Just before the crossing finish line, you overtake the person in second place. In what place did you finish? (flip sheet for answer)

How do you feel when you can't figure something out?

Who's your go-to person when you're trying to figure something out?

Second Place. If you pass the person in second, you take second place, and they become third.
